CELEBRATING 40 YEARS OF COMMUNITY PARTNERSHIPS

WORKING...

It's part of all our lives. It's what makes us strong. It allows us to do our part. To remain independent. To stay active and connected. To reach our full potential.

And it's what Morningside is about. Helping to find jobs in the community for those who want to work. Jobs doing what they *like* to do. What they're *able* to do. What *needs* to be done. Jobs that create opportunities, contribute to the community, and include everyone in the workplace.

With your support, we can do our part. We can help to strengthen our future by building on all our resources. It's a partnership and a responsibility. We can make it happen.

... TOGETHER
